We are pleased to announce that beginning in February our group training classes will be held at Canine Crews Dog Day Care & Boarding Facility. Located at 1616 N. Washtenaw, Canine Crews is Chicago's newest, eco-friendly dog care facility. With over 20,000 square feet of indoor space, dogs have ample wiggle room.

Smart Puppy™ Saturdays 9:00 a.m. – 10:00 a.m. 2/06/10

Perfect for pups 8-weeks and UP!

Focus is on early socialization and establishing good puppy-manners during this most *critical* period in their development.

Our classes are small in size for personalized instruction and concentrate on teaching basic commands such as "sit", "down" and "come," while curbing unwanted behaviors such as, nipping, chewing and jumping. This puppy program includes plenty of socialization time with people, objects and of course, other playful puppies!

If you only take your dog through one training class, this is the one not to miss!!!

Duration: 7 Weeks, 1-Hour Class

Fee: \$210.00

Class Size: 8 puppies

Requirements: Proof of 1st series of vaccinations & Bordatella required.
